

**Prescription Drug Coverage Tiers (Formulary)
Effective January 1, 2019**

The Alliance Prescription Drug Coverage Tiers (Formulary) is a document that lists the Plan's coverage tiers that apply for most drugs available in the marketplace. Following are some helpful tips for using this document:

- Brand-name drugs are listed on pages 1-51. Generic drugs are listed on pages 52-73. At the end is a listing of covered diabetic supplies.
- A description of the six coverage tiers is available at www.CoalBenefits.com/formulary
- Approved Preventive Medications, with a \$0 copay as required by the Affordable Care Act (ACA), are indicated by "ACA" in the Tier column. For more information about Approved Preventive Medications, see www.CoalBenefits.com/preventive-drugs

Keep in mind that the prescription drug marketplace changes frequently. As a result:

- The Coverage Tiers (Formulary) is not all-inclusive,
- A drug's inclusion on the Coverage Tiers (Formulary) does not guarantee Plan coverage in all cases, and
- The Plan reserves the right to change the Coverage Tiers (Formulary) at any time and for any reason.

For some drugs, the Plan has special benefit rules; these include step-therapy requirements, prior-authorization requirements, generic-substitution requirements, Care Coordination requirements, quantity limits, other limits or requirements, and/or exclusions. Information about the benefit rules for certain drugs will be added to the Coverage Tiers (Formulary) at a later date. In addition, In-Network pharmacists always have access to up-to-date information (including benefit rules) in the Envision claims system to ensure they can inform you of your share of the cost, as well as any restrictions from the benefit rules, before you complete any purchases.

If you have questions, or would like information about the Plan's benefit rules for certain drugs, ask an In-Network pharmacist or contact EnvisionRxOptions at (800) 361-4542. To learn more about how the Prescription Drug Plan works, refer to the summary plan description (SPD) contained in the benefits handbook at www.CoalBenefits.com. For general questions, contact Alliance Coal Member Services at (855) 979-5192.
